Substitute letter carriers receive an annual consideration from Uncle Sam amounting to \$1, whereas the substitute

GOVERNOR WOOD IN WASHINGTON.

WILL SEE THE PRESIDENT TODAY.

To Be Mr. Roosevelt's Guest at the Philadelphia Fnotball Came-Reassuring News Concerning His Sick Culld.

Gen. Leonard Wood, Governor of Cuba, looking robust despite recent reports of stracks of typhoid fever, arrived in Washington last night. With Mrs. Wood, and his aide, Lieutenant McCoy, he registered at the Richmond Hotel.

His Child Out of Danger.

He had not long been in his coom when he was cheered by a cablegram from Dr. Leoni, at Havana, stating that his youngest child, who has been dangerously iil with diphtheria, was now out of danger. The child's condition has been critical for several days, but it was absolutely necessary that General Wood should arrive in efore the message to Congress was sent the Capital.

General Wood will report to the Presi ent this morning. With Mrs. Wood he will be a member of the Presidential party d the army and navy game at Philadel-

ary Root and General Wood will some ime today or tonight confer together on rially as General Wood has certain wellormed opinions on the subject of prossective commercial relations with the isl-

Will Return in a Week.

General Wood expects to sail for Haana a week from today. Until that time he will remain in Washington and will act as a sort of bureau of information for gain precise information concerning af-

Since he landed in New York yesterday torning General Wood has consistently sellned to express himself concerning pointon, but the report was a fabrication, leneral Wood, however, thinks that the Cubana will be thoroughly able to take over the reins of government by next May.

Favors Turiff Concessions.

General Wood is, for the most part, in vor of the tariff concessions asked for a mon who waited on the President week to present a petition, praying reductions on the duties on segar, igars eigerettes, liquors, and other con-codition. He especially favors the con-cisions ziked for on sugar and tobaco. General Wood has signified his purpose do all he can to scoure the concessions hick he believes necessary for the prop-development of Cubsu Industries. In such case, General Wood will prob-

My have a hard tank on his hands. The sgar rulers in the country are solidly spoosed to any composition of this uniture, at will maintain a strong fabby in Warhn to work its defent

The polition presented last week, ap-rently voking the best clements of the siness public in the island, and seemusiness public in the island, and seemngly without a political string attached
o it, has made more of an impression
upon the President than have most docunents of the kind presented at the White
fouse. Socretary float is said to be
scartlly in fave of the concessions.

The President ill doubtless be guided
o a great extent by the judgment and
divice of General Wood, in whom he has
contictly confidence, and when he know

TO SUCCEED MR. BRADY. Snowden Ashford Urged for Inspector of Buildings.

Cot. John Biddle, the Engineer Con ioner of the District, has under considration the matter of naming an appointee o the office of Inspector of Buildings, unde vacunt by the recent death of John Bride vacual by the recent deals of some Frady. Speaking of the matter yester-day Colonel Biddle said that it would be necessary to fill the vacancy within a few days, but that no conclusion had as yet It is understood that the Commissioner

It is understood that the Commissioner has received a number of letters commending Snowden Ashford, the Assistant Inspector, for promotion. These letters, it is said, say that Mr. Ashford is a capable architect, and that his acquaintances amounting to 31, whereas the substitute clerks are less fortunate; they receive with the office work is such to make him porarily filling the position of a clerk absent on sick leave or his annual vacation.

THE APPROPRIATION EXPENDED IN SMOKE.

ORDNANCE BUREAU DEFICIENCY.

Gunmakers Furloughed as a Meas. ure of Retrenchment-Funds Overdenwn for Target Practice and Armor Plate

More than one hundred thousand dollars of this year's appropriation for naval ordnance, above the estimated allowance, has gone up in the smoke of target practice. Because of this heavy overdraft it will be necessary for the time being to

Gunmakers Reing Latd Off.

The generalters at the navy yards, particularly those at the Washington yard, will be furloughed. Congress will also be asked to come to the relief of the Ordnance Bureau by making up the present lack of funds with an appropriation in

the general desciency offi When Rear Admiral Higginson took emmand of the North Atlantic Squadron some months ago he found that the officers and men were not up to the standard of efficiency in target practice. Consequently, with the Kearsurge, the Kenmcky, and the Alabama, he went at work and inaugurated a plan of target practice on a large scale

A Three-Year Supply Exhausted. One of these slops has within a few nonths exhausted. It is said, three years' supply of amnualtion in shooting at targets. The fields about Newport have during the past summer blazed with burning powder, and the work has kept up almost constantly. The practice has been successful so far as making the gunners exost far in excess of what the Navy Department figured upon in its estimate.
Because of the great waste occasioned in this work the Department has appointed Lieut. A. P. Niblack as inspector of target practice, with instructions to

Excess Armor Plate Delivery. Another cause which has led to the buriage of funds in the Ordnance Bureau is the fact that the contractors have delivered more armor plate than was expected. The appropriation for armor 900. The delivery of a certain amount this estimate. As there are a large number of ships under process of construction

ber of ships under process of construction the deliveries have been accepted, as it will soon be needed. Some other work has also been done which was not calculated upon when the appropriation was made. All of this, how-ever, has been authorized by Congress. It has gone on so rapidly, however, that the bureau now finds itself in a position where its funds will be exhausted leng before the end of the fiscal year, and before another appropriation is available, unless something is done. Only five uniess something is done. Only five months of the year have passed and it is

There will be a retrenchment and work-There will be a refreachment and work-men will be furloughed, and Congress will be asked for an additional appropriation. There are about ",000 men at the Wash-ington yard. They will each be laid off one or two days a week, so as to impede the wor's under construction as little as possible.

SINKING OF THE WRIGHT. Thought at Navy Department That

Transport Can Be Raised. The sinking of the transport Wright in Philippine waters has been reported to

It is likely that the President, Secre- the War Department, in the following cablegram from General Chaffee: ablegram from General Chaffee:

"Transport Wright struck an anchartd rock near south end Dram Island,
orth entrance to San Jacinto Straits;

the question of turning the government of ed rock near south end Dram Island, Cuba over to the natives. This conference | north entrance to San Jacinto Straits; will have considerable bearing on the badly injured; resting quietly on port President's message to Congress, espe- side; fifteen feet water in hold, which she may be raised with wrecking vessel but I fear sufficient power cannot be obtained in these waters. Large part of the cargo will be saved in damaged condi-

Colonel Bird, of the army transport service, said yesterday that he felt confi-dent that a wrecking apparatus of sufficient power to raise the Wright can be secured at Hongkong. A cablegram has been sent by the War Department to the chief quarterminater at Mailla, asking for details as to the vessel's condition.

JUDGE TAFT'S RETURN.

Expected to Leave Manila on the First Tennsport.

No additional advices were received at the War Department from Manila yesterday in regard to the condition of Judge William Taft, Governor of the Philippines. The War Department now expects Governor Taft to leave Manila on the first returning transport. This will prob-

As stated several days ago, Governor Tait's return is due entirely to his poor physical condition, resulting from an opration which caused his conficement doors for acceral weeks. Owing to the climate of Manila, his recovery is not as rapid as it might be in a cooler country. fully recovered. Vice Governor Wright will perform the

WASHINGTON MAN SELECTED. Edward A. Savoy Appointed Chief Messenger to Secretary Hay.

Edward A. Savoy was appointed chief messenger to the Secretary of State yesterday, to fill the vacancy caused by the death of William Gwin. The salary attached to the position is \$1,000 per annum Mr. Savoy has been employed at the State Department for the last thirty years, and has filled various responsible positions with high credit. He is a na-tive of the District of Columbia.

WRECKED CREW IN PORT. Sallors From the Ethelrod Arrive in Philudelphia.

PHILADELPHIA Nov. 29 - The mate and three members of the crew of the British steamer Ethetrod, which left New York November 18 in ballast for James ca, and which was wrecked on Gallin Point, off the coast of Jamaien, on November 23, arrived here today on the Norwe-gian steamer North America.

The Ethelrod was a steel, single screw vessel, 521 tons net register, and was launched May 1859, at 4.4°. She was 255 feet long, 28 feet breadth of beam, and

halled from Montreal.

Deserter Tired of Edding. LEBANON, Pa., Nov. 25, Harvey Pett coffer, a deserter from the United States Regular Army, vas arrested here today He left Fort McHenry, Baltimore, three weeks ago, and is tired of running about the country to escape arrest. He is confined in the county jail awaiting the action of the United States officials at Fort McHenry. FAIR FIELD AND NO FAVOR.

merican Officials to Remain Neutral In Cuban Elections.

Secretary Root yesterday wrote to Eligio Bonachea, of the National Convenion of Cuba, declaring that the Amerian officials have no intention of favoring any of the Cuban candidates for the Presidency. His letter is as follows: I have the honor to acknowledge the receipt of your despatch of November 26, maying

The National Convention of Havana, which has proclaimed General Mass candidate for the Presidency of the future Republic of Cuba, respectfully asks you to recommend to the representatives of the intervening Government the strictest impartiality in the electoral contest which is now taking place."

The representatives of the intervening Government in Cuba are stready aware that their duty requires them not merely to be strictly importial in the electoral contest in Cuba, but to refrain from in-terfering in any nameer with the free ex-pression of the wishes of the Cuban peopression of the wishes of the Colan peo-ple at the polis. They have not violated this rule in the past and will not in the future. They have nothing to do with the electoral contest except to enforce the electoral law prescribed by the Constitu-tional Convention and promulgated by the Military Governor on the 14th of October lest. This will be done impartially and ef-

It is quite unnecessary to assume that the officers of this Government will be less faithful to their duty hereafter than they have been in the past, or to recomduly which they are already performing." FIRST DISTRICT CONFERENCE.

REVISING WESTMINSTER CREED

In Secret Sessions. A section of the committee appointed by the General Assembly of the Presbyterian Church to consider a revision of the Westminster Confession of Faith, and the preparation of a new creed, held its third session yesterday in the lecture room of the Church of the Covenant. The previous sessions were held on Wednes-

Committee Sections Continue Work

day and Thursday nights. As yet only four of the seven members of the committee have arrived. These are: Dr. H. H. Johnson, the chairman; Dr. Minton, Dr. DeWitt, and Justice Harian, of the United States Supr me Court. Dr. DeWitt, of Princeton, N. J., last

evening made the first authentic statement regarding the work of the committee. He said.
"This section of the committee is pro-ceeding with its work of preparing a brief and informal statement of the reformed faith, with a view to presenting it to the general committee when it meets here on Wednesday, December 4. Every step of the work is being discussed with

the utmost care and consideration. "Meanwhile, the other two sections of the general committee are holding secret sessions elsewhere, one for the purpose of adding new chapters to the code of laws, and the other to eliminate certain more or less objectionable features of it." Nothing is known concerning the detalls of the work, as strict secrecy is maintained regarding them.
